Dear Colleagues,

Thank you to broadcast this announcement to potential applicants (MS.c. graduates seeking a Ph.D. position).

Two fully-funded three-year PhD positions are available at the Laboratory of Informatics Image Interaction (L3i -- http://l3i.univ-larochelle.fr) of La Rochelle University (http://www.univ-larochelle.fr/?lang=en), located in the magnificent city of La Rochelle by the West (Atlantic) Coast of France (2h25 to 2h45 from Paris by high speed train).

These two positions are on the following topics:

Topic 1 : « **Scalable, Energy Efficient and Privacy-Preserving BlockChain for IoT-Driven Use Cases** ».

Topic 2 : « **AI/ML-based Adaptive Ressource Management for Mobile Edge Computing** ».

This second Ph.D. topic will be conducted at La Rochelle University in collaboration with Carleton University (Ottawa, Canada). The two universities are working on a cotutelle agreement where the student would obtain a PhD degree from both universities.

The successful applicants are expected to join the Lab. starting on the fall of 2020.

Applicants should e-mail their resume with a list of two references as well as transcripts to Prof. Yacine GHAMRI-DOUDANE (yacine.ghamri@univ-lr.fr), with **[Ph.D. Application] as a prefix of the email subject (failing to add this prefix may lead your application to be lost)**. Applications will be accepted until these positions are filled.

Kind regards,
--
