Dear Colleagues,

Thank you to broadcast this announcement to potential applicants (Ph.D graduates seeking a Post-doc fellowship).

Two post-doc openings are available at the Laboratory of Informatics Image Interaction (L3i -- <http://l3i.univ-larochelle.fr>) of La Rochelle University (<http://www.univ-larochelle.fr/?lang=en>), located in the magnificent city of La Rochelle by the West (Atlantic) Coast of France (2h25 to 2h45 from Paris by high speed train).

The positions target “**Trust-Based Distributed Ledger Design for Scalable, Energy Efficient and Privacy-Preserving BlockChain**”. These are part of two research grants, one on « Blockchain Systems for IoT-Driven Use Cases » and the second one on « Blockchain-based Certification System for Education ».

The successful applicants are expected to join the Lab. for an initial 1-year contract, starting on April/May 2021 (renewal is subject to availability of funding and is up to 5 years).

Applicants should e-mail their resume with a list of two references as well as transcripts to Prof. Yacine GHAMRI-DOUDANE (yacine.ghamri@univ-lr.fr) and A/Prof. Mourad Rabah (mourad.rabah@univ-lr.fr), **with [Post-doc Application] as a prefix of the email subject (failing to add this prefix may lead your application to be lost)**. Applications will be accepted until this position is filled.

Kind regards,
Mourad RABAH and Yacine GHAMRI-DOUDANE.
